

Name: Samuel Weiss

College: Magdalen College

Position applied for: Elections Committee

Reason you should be elected:

1. I have the sufficient experience for the role. I've helped to run elections in the past as I am a Returning Officer Assistant at the Oxford Union. I've also put myself forward to be Returning Officer for Magdalen JCR for the upcoming elections, though it hasn't been confirmed whether I'll get it.
2. Moreover, I understand that the Elections Committee is in its infancy. I greatly believe in the values of integrity and probity and help shape the direction of the future of the committee so that the Student Union encapsulates those values.
